

One of our most famous users... Jan Ackerman from the seventies band, 'Focus'. Jan used Sessionettes on many albums, although we do not have any of them... we will try to correct that soon. Also, although we don't have any photos, Roy Buchanan was also a Sessionette man towards the end of his days.

Above: The rear view of a 2 x 10" variant.

A 1984 2 x 10" Sessionette sitting on a diagonal 2 x 12".

One of the beige Sessionettes from between 1982 to 1984
